R-Ladies Sydney Launch - Lightning Talks!

20 June 2018

Get to know the Sydney R-Ladies!

It's a launch event, so why not get to know your fellow R-Ladies? As an ice-breaker, every handout has a "bingo card". See if you can find someone who. . .

Likes to run	Has been to Uluru
Knows how to record but not write Excel macros	Plays a musical instrument
Can see the Harbour Bridge from their office	Is a member of Meetups not related to data science
Uses a keep cup every day	Grew up in a small town
Has been to another RLadies chapter event	Has a dog
Likes to dance	Has at least one laptop hex sticker
Can knit (with needles and wool)	Owns reusable stainless steel straws
Has a (mini) library of stats textbooks	Has a cat

The items have been randomised – using R, naturally – so everyone should have a different list!

Want to live tweet about the talks?

name	twitter_handle	talk_title
Jessica Lee		Why I R?
Emi Tanaka	@statsgen	Making a Shiny interactive web application using R
Wendy Wong	@abc_wendsss	Transitioning from financial planning to data science
Sarah Romanes	@sarah_romanes	My long journey learning R - then and now
Zoe Meers	@zoe_meers	ggparliament: Parliament plots in the tidyverse
Lovisa Lannesand		From Excel to R in the world of finance
Kate Dodds	@kate_c_dodds	Learning the lingo - An R newbie's perspective
Charles Gray	@cantabile	My experience at runconf18

- Don't forget to @ the speaker in the tweet :-)
- Include the **#rladies** hashtag. Adding **@rladiessydney** optional
- Include a picture if you have one! (speaker or slides)
- More speaker info is on the blog: **rladiessydney.org/posts/lightning-talks**

Has never been to NZ	Loves Karaoke
Has a pet with a geeky name	Prefers chardonnay to sav. blanc
Is a data scientist	Has *opinions* about <- versus =
Commutes to work on a bike	Uses a keep cup every day
Can see the Opera House from their office	Has 3+ data analysis apps on their computer
Wants to be an academic	Grew up in a small town
Has used a library card catalog	Is a member of other data science Meetups

The items have been randomised – using R, naturally – so everyone should have a different list!

Want to live tweet about the talks?

name	twitter_handle	talk_title
Jessica Lee		Why I R?
Emi Tanaka	@statsgen	Making a Shiny interactive web application using R
Wendy Wong	@abc_wendsss	Transitioning from financial planning to data science
Sarah Romanes	@sarah_romanes	My long journey learning R - then and now
Zoe Meers	@zoe_meers	ggparliament: Parliament plots in the tidyverse
Lovisa Lannesand		From Excel to R in the world of finance
Kate Dodds	@kate_c_dodds	Learning the lingo - An R newbie's perspective
Charles Gray	@cantabile	My experience at runconf18

- Don't forget to @ the speaker in the tweet :-)
- Include the **#rladies** hashtag. Adding **@rladiessydney** optional
- Include a picture if you have one! (speaker or slides)

R-Ladies Sydney Launch - Lightning Talks!

20 June 2018

Get to know the Sydney R-Ladies!

It's a launch event, so why not get to know your fellow R-Ladies? As an ice-breaker, every handout has a "bingo card". See if you can find someone who...

Thinks Messina is overrated	Holds a local public library card
Prefers merlot to shiraz	Is a PhD student
Has at least one laptop hex sticker	Is an academic
Prefers chardonnay to sav. blanc	Is a data scientist
Has never been to Messina	Actually likes regular expressions
Does not have a Facebook account	Grew up on a farm
Can explain why Snapchat exists	Prefers a flat white to a long black
Has a cat	Swims in the ocean more than once a week

The items have been randomised – using R, naturally – so everyone should have a different list!

R-Ladies Sydney Launch - Lightning Talks!

20 June 2018

Get to know the Sydney R-Ladies!

It's a launch event, so why not get to know your fellow R-Ladies? As an ice-breaker, every handout has a "bingo card". See if you can find someone who...

Grew up on a farm	Has a (mini) library of stats textbooks
Prefers read.csv to read_csv	Has met Hadley Wickham
Can knit (with needles and wool)	Has been to another RLadies chapter event
Is R-Curious	Remembers floppy disks
Has never been to Messina	Lived in Boston for a time
Uses a keep cup every day	Has at least one laptop hex sticker
Has done the Harbour bridge climb	Doesn't own a car
Has used a library card catalog	Likes to dance

The items have been randomised – using R, naturally – so everyone should have a different list!

R-Ladies Sydney Launch - Lightning Talks!

20 June 2018

Get to know the Sydney R-Ladies!

It's a launch event, so why not get to know your fellow R-Ladies? As an ice-breaker, every handout has a "bingo card". See if you can find someone who. . .

Grew up on a farm	Is R-Curious
Is a Mac user	Uses a standing desk
Has a cat	Enjoys gardening
Prefers Python to R	Has been to another RLadies chapter event
Teaches statistics	Uses a keep cup every day
Lived in Boston for a time	Commutes to work on a bike
Can explain why Snapchat exists	Has used a package you've never heard of
Has used a library card catalog	Walks 10000 steps every day

The items have been randomised – using R, naturally – so everyone should have a different list!

20 June 2018

Get to know the Sydney R-Ladies!

It's a launch event, so why not get to know your fellow R-Ladies? As an ice-breaker, every handout has a "bingo card". See if you can find someone who...

Is an academic	Lived in Boston for a time
Grew up on a farm	Uses a standing desk
Commutes to work on a bike	Has a Twitter account
Favourite food is sushi	Knows how to tweet from within R
Walks 10000 steps every day	Has an interesting pet (not cat or dog)
Prefers read.csv to read_csv	Is a member of Datacamp
Has never been to Messina	Prefers merlot to shiraz
Has used a package you've never heard of	Grew up in a small town

The items have been randomised – using R, naturally – so everyone should have a different list!

R-Ladies Sydney Launch - Lightning Talks!

20 June 2018

Get to know the Sydney R-Ladies!

It's a launch event, so why not get to know your fellow R-Ladies? As an ice-breaker, every handout has a "bingo card". See if you can find someone who. . .

Has met Hadley Wickham	Taught themself to code
Is new to using R	Knows C++
Loves Karaoke	Owns reusable stainless steel straws
Remembers floppy disks	Can knit (with needles and wool)
Wants to be a data scientist	Wants to be an academic
Can see the Opera House from their office	Can play an unusual instrument
Is a PhD student	Can see the Harbour Bridge from their office
Knows how to tweet from within R	Knows a Trump supporter

The items have been randomised – using R, naturally – so everyone should have a different list!

Want to live tweet about the talks?

name	twitter_handle	talk_title
Jessica Lee		Why I R?
Emi Tanaka	@statsgen	Making a Shiny interactive web application using R
Wendy Wong	@abc_wendsss	Transitioning from financial planning to data science
Sarah Romanes	@sarah_romanes	My long journey learning R - then and now
Zoe Meers	@zoe_meers	ggparliament: Parliament plots in the tidyverse
Lovisa Lannesand		From Excel to R in the world of finance
Kate Dodds	@kate_c_dodds	Learning the lingo - An R newbie's perspective
Charles Gray	@cantabile	My experience at runconf18

Get to know the Sydney R-Ladies!

It's a launch event, so why not get to know your fellow R-Ladies? As an ice-breaker, every handout has a "bingo card". See if you can find someone who. . .

Has at least one laptop hex sticker	Has a cat
Teaches statistics	Uses plastic free shampoo/conditioner
Has been to another RLadies chapter event	Is a PhD student
Prefers merlot to shiraz	Grew up in a small town
Enjoys cooking	Checks Twitter more frequently than email
Lived in Boston for a time	Does not have a Facebook account
Remembers floppy disks	Swims in the ocean more than once a week
Prefers read.csv to read_csv	Likes to run

The items have been randomised – using R, naturally – so everyone should have a different list!

R-Ladies Sydney Launch - Lightning Talks!

20 June 2018

Get to know the Sydney R-Ladies!

It's a launch event, so why not get to know your fellow R-Ladies? As an ice-breaker, every handout has a "bingo card". See if you can find someone who. . .

Uses plastic free shampoo/conditioner	Can explain why Snapchat exists
Works in finance	Knows how to tweet from within R
Prefers a flat white to a long black	Does yoga
Kept their New Years resolution	Has 3+ data analysis apps on their computer
Enjoys gardening	Prefers Python to R
Knows C++	Swims in the ocean more than once a week
Loves cheese	Wants to be an academic
Has written their own R package	Can see the Opera House from their office

The items have been randomised – using R, naturally – so everyone should have a different list!

Want to live tweet about the talks?

name	twitter_handle	talk_title
Jessica Lee		Why I R?
Emi Tanaka	@statsgen	Making a Shiny interactive web application using R
Wendy Wong	@abc_wendsss	Transitioning from financial planning to data science
Sarah Romanes	@sarah_romanes	My long journey learning R - then and now
Zoe Meers	@zoe_meers	ggparliament: Parliament plots in the tidyverse
Lovisa Lannesand		From Excel to R in the world of finance
Kate Dodds	@kate_c_dodds	Learning the lingo - An R newbie's perspective
Charles Gray	@cantabile	My experience at runconf18

- Don't forget to @ the speaker in the tweet :-)
- Include the **#rladies** hashtag. Adding **@rladiessydney** optional

R-Ladies Sydney Launch - Lightning Talks!

20 June 2018

Get to know the Sydney R-Ladies!

It's a launch event, so why not get to know your fellow R-Ladies? As an ice-breaker, every handout has a "bingo card". See if you can find someone who...

Has 3 siblings	Has a pet with a geeky name
Has a cat	Has run an experiment that didn't work
Knows a Trump supporter	Swims in the ocean more than once a week
Can explain why Snapchat exists	Actually likes regular expressions
Has kids	Is a PhD student
Has at least one laptop hex sticker	Uses plastic free shampoo/conditioner
Has a Twitter account	Prefers a flat white to a long black
Likes to run	Prefers merlot to shiraz

The items have been randomised – using R, naturally – so everyone should have a different list!

20 June 2018

Get to know the Sydney R-Ladies!

It's a launch event, so why not get to know your fellow R-Ladies? As an ice-breaker, every handout has a "bingo card". See if you can find someone who...

Has been to Uluru	Doesn't own a car
Can knit (with needles and wool)	Knows C++
Enjoys gardening	Uses plastic free shampoo/conditioner
Plays a musical instrument	Has at least one laptop hex sticker
Has a dog	Knows how to tweet from within R
Likes to dance	Prefers Python to R
Is a member of Meetups not related to data science	Has a pet with a geeky name
Has never been to Messina	Can see the Opera House from their office

The items have been randomised – using R, naturally – so everyone should have a different list!

Get to know the Sydney R-Ladies!

It's a launch event, so why not get to know your fellow R-Ladies? As an ice-breaker, every handout has a "bingo card". See if you can find someone who...

Does yoga	Enjoys cooking
Is a data scientist	Has written their own R package
Commutes to work on a bike	Has never been to NZ
Has an interesting pet (not cat or dog)	Is a member of Datacamp
Has a (mini) library of stats textbooks	Prefers merlot to shiraz
Is a member of other data science Meetups	Thinks Messina is overrated
Likes to dance	Has kids
Lived in Boston for a time	Checks Twitter more frequently than email

The items have been randomised – using R, naturally – so everyone should have a different list!
